Objective

Enthusiastic and detail-oriented Computer Science and Engineering student with a strong foundation in Java and its frameworks. Experienced in developing real-world software projects, with a passion for clean code, problem-solving, and collaborative development. Actively engaged in the developer community and open-source contributions, continuously expanding technical skills and industry knowledge.

Education

Alva's Institute of Engineering & Technology (AIET)

Bachelor of Engineering in Computer Science and Engineering

Nov. 2022 – May 2026

CGPA-8.25/10

Rotary Pre University College Moodbidri

Pre-University (Physics, Chemistry, Maths, Computer Science)

2020 – 2022

83%

Rotary English Medium School Moodbidri

High School

2017 – 2020

79%

Technical Skills

Languages: Java, C, C++, Python, Html/CSS, JavaScript

Developer Tools and Operating system: VS Code, Figma, Windows, Github, Canva

Technical Skills: React.Js, Node.js, MongoDB, MySQL,

Soft Skills: Teamwork, Leadership, Communication, Problem-Solving, Adaptability

Projects

Employee Salary Management System | *HTML, CSS, JavaScript, MySQL-Database, Jsp Servlet*

- A Employee Salary Management System built with HTML, CSS, JavaScript, MySQL, and JSP Servlets is a comprehensive system designed to streamline and automate the management of employee salaries within an organization. The system aims to enhance accuracy, reduce manual errors, and improve the overall efficiency of the payroll process.

Online Portal For Agri Business | *HTML, CSS, PHP, JavaScript, MySql*

- Developed and implemented a comprehensive online portal designed to revolutionize the agricultural supply chain by directly connecting farmers with buyers (B2B and B2C) and service providers. This platform addresses critical challenges faced by farmers, such as market access, price realization, and access to modern farming techniques, while ensuring transparency and efficiency in the agribusiness ecosystem..

Achievements and Certifications

- * **Certifications:** Infosys Spring-Board certifications, Servicenow, codechef, Presented IEEE Review Paper and attended several workshop.
- * **Leetcode:** 100+ problems solved on the LeetCode platform.
- * **Problem Solving:** Problem solving on GeeksforGeeks, HackerRank and Codechef Platforms.

Extra-Curricular Activities

- * Organized and led Swachh Bharat awareness programs for rural communities and conducted Swachh Bharat Abhiyan activities to promote cleanliness and hygiene.
- * Conducted training sessions on computer fundamentals for high school students, enhancing their technical skills and digital literacy.
- * Event Coordinator for the college's annual tech fest, managing logistics and participant registration.
